

PSD Logout – Browser Setting Options

If a browser session is still not logging out after closing the browser, the following procedural steps can be provided to assist users with the following browsers:

Firefox:

Click the 3 dashes on the top right
Go to Privacy tab
Change History to User custom settings for history
Check Keep until to I close Firefox

This will clear all cookies when you close Firefox, not just central1.com only.

Edge:

Click the 3 dots on the top right
Go to Settings
Click Chose what to clear under Clear browsing data
Select the items you want to clear when you close Edge, enable Always clear this when I close the browser

This will clear all cookies when you close Edge, not just central1.com only.

Internet Explorer:

Click on the gear on the top right
Check Delete browsing history on exit under Browsing history

This will clear all cookies when you close Internet Explorer, not just central1.com only.

Chrome:

Click on the 3 dots at the top right
Go to Settings
Click Advanced at the bottom of the page
Click on Content settings under the Privacy and security category
Click on Cookies
Click add for Clear on exit
Type in [*].central1.com
Click Add

Will delete all cookies from *.central1.com when they close the browser.
